Annual Report (for the session 2020-2021)

The entire world has been under the grip of Covid 19 for the past two years which has adversely affected all the stakeholders especially those related to academics. The educational institutions which had always been the centre stages of a number of scholastic and extracurricular activities aiming at the holistic development of the students had to be closed for them.

Notwithstanding the ongoing restrictions and uncertainties, both the faculty and the women students of our institute kept up the zeal and passion of intellectual growth by imparting teaching through online and later on through blended mode during the entire session. A great deal of activities were also organised which contributed to uplift of student's morale during tough times.

Here is a brief report of the activities organised during the session 2020-21.

Sr No.	Name of the Cell/Dept.	Convener	Activity Details	Date
